

PETRA

Neutral oil and grease remover

Area of application

PETRA is suitable for all washable surfaces and floors made of plastic, porcelain, tiles, stainless steel, aluminium, painted/treated wood, rubber, stone, etc.
PETRA is applicable in all food-preparation areas, such as kitchens, canteens, restaurants, hotels, caterers and fast-food services, bakeries, butcher shops, slaughterhouses, swimming pools, as well as in trade and industry, e.g. for careful floor cleaning.

Application

- Dose PETRA depending on level of soiling
- For cleaning of large surfaces with a lower level of soiling, dilute 10 ml with 4 litres of water (0.25 %)
- For cleaning strongly soiled and greasy surfaces, apply PETRA at a higher concentration and wipe.

Product characteristics

- Excellent grease-, oil-, rust- and dirt-removal capability
- Very effective cleaner, also with nicotine stains and light silicone soiling
- Neutral scent
- Meets the requirements of the LFBG
- Very good material compatibility
- Skin compatibility
- Does not affect oil-/grease traps
