

# SamtaSan

## Rich skin care cream with vitamin E and glycerine

### Area of application

SAMTASAN is a quickly absorbed, silicone-free skin care cream (water-in-oil-emulsion, W/O) for dry and stressed skin with especially high-quality care substances and natural skin protection factors which prevents the skin from drying. By adding glycerine and vitamin E, SAMTASAN provides intensive moisture as well as care, and smoothens the skin. SAMTASAN is perfectly tuned to the needs of the dry and chapped skin stressed by work and contains high-quality rehydrating and skin-care substances for long-lasting balance of the daily loss of moisture and skin grease. It is a rich cream and is absorbed quickly without regreasing.

### Areas of application

SAMTASAN skin care cream can be used wherever the skin under professional stress requires balanced and rich care. It can be applied in all professional areas, such as nursing and old people's home, hospitals, industry, food retail trade, floristics, hotels, restaurants, hairdressing industry, etcetera.

### Product characteristics

- Cares for dry skin
- Dermatologically tested
- Moisturising and absorbs instantly
- High consumer acceptance
- Fresh scent
- Supports the natural rejuvenating process
- Boosts the skin's smoothness and strength
- Available in a practical 500 ml bottle with flip top cap as individual bottle for 500 ml Euro wall dispenser or with a hand-pump dispenser
- Ecological 1,000 ml dispenser bottle for economy in professional skin care
- Hygienic, easy and germ-free dosing with the 1,000 ml DR.SCHNELL V10 wall dispenser
- Silicone-free

### Product data

- Appearance: white cream
- pH-value skin neutral 5.5

### Suggested application

Before the application of SAMTASAN, hands must be washed and thoroughly dried. Rub SAMTASAN (approx. 1 ml) into the hands with care (between the fingers and on nail bed as well) and allow to be absorbed. SAMTASAN should be applied after every work break or every hand wash, and is suitable for face care as well.
